Dear Prof. Sankar Kumar Ghosh:

It is a pleasure to advise you that Dr. Animesh Biswas, a member of your organization, has been elevated to the grade of Senior Member of the IEEE this year.

Senior Member is the highest professional grade of the IEEE for which a member may apply. It requires experience, and reflects professional accomplishment and maturity. Only 10% of our 423,566 members have achieved this level.

We are very pleased to have Dr. Animesh Biswas join the elite rank of IEEE Senior Members – both Dr. Animesh Biswas and you should be proud of the professional achievements that led to this recognition. We look forward to additional contributions and successful projects and discoveries made by or associated with our new Senior Member.

Sincerely,

Karen Bartleson
IEEE President and CEO
